

Original Mountain Top Tonneau Cover®

The Original Mountain Top Tonneau Cover® is the most durable high functional vehicle bed cover on the market. It is made of 5 bar aluminum plate with a loading capacity of 100 kg.

With The Original Mountain Top Tonneau Cover® the vehicle bed cargo can easily be accessed from 3 sides. The cover can quickly be removed without tools. It is a non drill installation (attachment drilled into the tailgate).

The Original Mountain Top Tonneau Cover® can be combined with all types of Mountain Top under rail bed liners.

The Original Mountain Top Tonneau Cover® is EU design protected and has TÜV and ABE approvals.
